Dear Applicant:

Thank you for your interest in Christian Youth Theater. We are a non-profit organization which provides training in the area of theater arts to children ages 4-18. CYT is pleased to offer financial assistance to families who would not otherwise be able to participate in our program. If you are eligible, the scholarship can pay for UP TO HALF of the tuition. Please fill out the scholarship form and return it with your *registration form, half the tuition payment, and a copy of the verification of income*. If we do not receive all the required forms, your application will **NOT** be processed. If reapplying for a scholarship, you must submit current information. If we have any questions regarding your application, we will contact you as soon as possible. If you have qualified for half of the tuition, we will send you the class confirmation packet which will give you all the details you will need.
